PROFESSIONAL SUMMARY

Junior .NET developer focused on building clean, maintainable back-end services using C#, ASP.NET Core, and SQL Server. Practical exposure through internships at ITI, Faisal Islamic Bank, and the Egyptian Electricity Company. Built two back-end projects (MVC and Web API) applying OOP, EF Core, and Repository Pattern. Strong communication from customer-facing roles; eager to contribute and grow in a professional environment in KSA.

SKILLS

- C#, .NET, ASP.NET Core MVC & Web API,ASP.NET Identity,JWT Authentication
- Entity Framework Core, LINQ, Repository Pattern, OOP
- SQL Server (DDL/DML, Queries, Joins), Database Design
- HTML, CSS, JavaScript (basics)
- Git & GitHub, REST, JSON
- Problem Solving, Teamwork, Communication

PROJECTS

- Learning Management System (LMS) — ASP.NET Core MVC, EF Core, SQL Server
  - Developed a role-based educational platform (Admin , Instructor , Student) with course management , enrollment , exams and grading .
  - Implemented layered architecture with Services , DTO, AutoMapper and secured the system using ASPNET Identity
- E-Commerce Back-End API — ASP.NET Core Web API, EF Core, SQL Server
  - Endpoints for Category, Items, orders, users, and JWT Authentication/Authorization.
  - Applied Repository & Unit of Work patterns; proper DTOs and validation.

EXPERIENCE & INTERNSHIPS

- IT Intern — Egyptian Electricity Company | 08/2023
  - Exposure to database administration concepts and basic network/IT operations.
  - Assisted in documenting small procedures and checking data integrity.
- IT Intern — Faisal Islamic Bank (IT Department) | 07/2022
  - Shadowed staff on core banking systems and internal applications.
  - Helped with simple tasks and wrote notes on process flow.
- IT Intern — Information Technology Institute (ITI) | 06/2022
- Summer training: programming fundamentals, databases, and web basics.
- Telesales Agent — American Royal Clinic (UAE, Remote) 08/20224
- Contacted leads, handled objections, and scheduled follow-ups by phone.
- Customer Service / Cashier — Abo Younes Restaurants | 2021–2022
- Managed daily transactions and provided front-desk customer support.

EDUCATION

Bachelor's Information Technology — Faculty of Computers and Information [Kafr Elshikh Universit]
Expected/Graduation Year: (2024)

LANGUAGES

- Arabic: Native
- English: Good working proficiency
